who fought consistently for liberty in an old world and a new—so consistently that he refused to lend himself to the plans of Napoleon for the restoration of Poland, are recalled by the inscriptions on the monument.

Driven to this country by an unhappy love affair, he saw the new republic established and did not return to his native Poland until 1786. When Russia attacked Poland in 1792, Kosciuszko with 4,000 men held Dublenka against 18,000 Russians in a famous battle. After the second partition of Poland in 1794 he put himself at the head of a national movement and was proclaimed dictator and commander in chief. Covered with wounds he fell into the hands of his enemies and was restored to liberty by the Emperor Paul two years later.

Alexander in 1814 refused to grant an amnesty to Poles in foreign lands and to make Kosciuszko constitutional king of Poland, and for the remainder of his life he lay aside his sword and lived the peaceful life of a farmer in France until he was killed when his horse plunged over a precipice. The Emperor Alexander later moved his body to Crawcow and laid it beside John Schleski.

FINDS OBJECT
HIDDEN IN AN
UNKNOWN PLACEPROF. WILLEY GUIDES TEAM
THROUGH STREETS WHILE
BLINDFOLDED.

Professor Willey, who is showing at the Nevada theater yesterday afternoon gave a public demonstration of his wonderful powers. The fire department wagon, driven by Walter Agnew, went over a course and finally ended at the Nevada Club saloon. Here Mr. Agnew entered, the resort and placed a spanner in the drawer of one of the tables. The team then went to the Mizpah hotel where Mr. Willey, on being blindfolded, took the reins. He drove over the identical course, steering clear of other wagons and obstacles and on arriving at the Nevada Club halted. He dismounted and within a minute after entering the saloon had found the spanner. His feat was greeted with applause by the large crowd that had gathered to witness the success or failure of the event.

KILLS MAN WHO
WAS WITH WIFE

By Associated Press.
SEATTLE, Wash., May 10.—Luke A. Miloy, an architectural engineer, leaped from a street car this afternoon and rushing to the curb, fired a bullet through the head of E. A. Morrison, a tile fitter, who was walking with Miloy's wife and six year old son, Donald. Morrison fell to the ground and Miloy took the child in his arms, and taking him aside began to caress him. As soon as a policeman arrived, Miloy surrendered himself.

SKIPS OUT WITHOUT
PAYING HIS BILLS

A warrant was issued in the justice court yesterday for the arrest of George Demich, who, it is alleged, skipped out and failed to settle a number of financial obligations. Demich is now in parts unknown and the sheriff of that section has been notified. It will be remembered that Demich was arrested several months ago and placed under bonds to keep the peace, having threatened the Koliach brothers, one of whom was shot by Dan Demich, a brother or cousin of George's.

PROMISING OUTLOOK IN

WEBER BOOTH LEASE

Another very promising body of quartz has been opened in a raise in the Weber McLaughlin lease on the Booth, but development has not proceeded far enough to determine its extent. The quartz is very white and crystalline and carries considerable dark colored metal, in narrow seams and minute particles. The values are low, but it is the best looking quartz yet found in this lease. One drift is being driven, and a winze is also being put down on a quartz streak in another part of the workings.—Goldfield Tribune.

BROTHER INJURED

IN SAN FRANCISCO

D. G. Fitzgerald, proprietor of the Nevada barber shop yesterday received word from San Francisco announcing that his brother, W. H. Fitzgerald, had met with an accident and was not expected to live. A second dispatch received last evening announced that the injured man was resting easy and his recovery was not doubted. The telegram did not name the nature of the accident but it is presumed that no serious consequences will develop.

PICTURES AT
NEVADA THEATRE
ARE APPRECIATEDPROF. WILLEY WILL ENDEAVOR
TO HYPNOTIZE MAN
TONIGHT.

There was the largest crowd at the Nevada theater yet recorded in the attendance at this playhouse. Five pictures were shown and all were features and were greatly appreciated. Tonight the feature film will be "A Quiet Homecoming," and everybody should witness it. The program contains three other pictures which are classed among the best. The titles of these pictures are "A New Shawl," "The Imp," "Spoke's Battles" and "The Dancing Girl."

Professor Willey will change his program while Mr. Wolgast will sing a new bunch of his popular songs. Sam Haas, manager of the theater, made a wager last evening that a well known Tonopah man that he could be hypnotized by Professor Willey and this unique contest will be decided at tonight's show. Remember, the house is the Nevada theater, while the price is ten cents.
